AMENDMENT

Mail Stop Non-Fee Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In response to the Examiner's Action mailed on April 3, 2003, please amend this application as follows:

In the Claims:

Please add the following claim:

A1
17. (New) A method for controlling transmit power, comprising the steps of:
adjusting a ratio of power between at least a first channel and a second
channel based on a data rate of the at least first channel.
